Experience Virtual JETC

We're excited that you are looking to incorporate Virtual JETC: *An Elevated Experience* into your schedule and want to support your case to help you attend.

As part of these efforts, we've put together this Attendee Justification Toolkit, providing you with must-know information about the event for you and your supervisor.

We hope that you find this toolkit useful in justifying your case for attending Virtual JETC this May 17-21, 2021. From connecting with colleagues to enhancing your knowledge base to joint training opportunities to discussing services and products with exhibitors, Virtual JETC will let you *experience* it all.

We look forward to "seeing" you!

Our Attendees say it best!

- *"This was a great pivot to adding value to the A/E/C community in a challenging time and provides an opportunity to find a way to reach out to more in the future"*
- *"Best JETC ever. It was a star-studded event with fantastic talks, lectures, and forums."*
- *"Great sessions, outstanding keynote speakers, and the timing was right each day to allow everyone to participate virtually and still accomplish a lot of work."*
- *"The SAME National team did an exceptional job transforming JETC into a virtual environment. Access to the educational content was excellent and navigating the site was easy. I believe the interaction with the speakers during each tech sessions was more robust in the virtual environment as a result of the Q&A capability."*
- *"Extraordinarily well done – proud to be a member of this amazing organization!"*
- *"Best virtual platform I've participated in since COVID drove all conferences to virtual formats. Kudos to SAME National."*
